1.0 AIMS AND OBJECTIVES

The aims of this Safer Recruitment Policy is to help deter, reject or identify people who might abuse students or are otherwise unsuited to working with them by having appropriate procedures for appointing staff.

The College has a principle of open competition in its approach to recruitment and will seek to recruit the best applicant for the job. The recruitment and selection process should ensure the identification of the person best suited to the job at the College based on the applicant's abilities, qualification, experience and merit as measured against the job description and person specification.

The recruitment and selection of staff will be conducted in a professional, timely and responsive manner and in compliance with current employment legislation.

If a member of staff involved in the recruitment process has a close personal or familial relationship with an applicant they must declare it as soon as they are aware of the individual's application and avoid any involvement in the recruitment and selection decision-making process.

The policy objectives are to operate this procedure consistently and thoroughly while obtaining, collating, analysing and evaluating information from and about applicants applying for job vacancies at Launceston College.

In addition to the various staff records kept in College and on individual personnel files, a single centralised record of recruitment and vetting checks is kept in accordance with the DfES requirements. All information retained on employees is kept centrally in the Human Resources Office in a locked and secure cabinet.

4.13 Ongoing Employment

Launceston College recognises that safer recruitment and selection is not just about the start of employment, but should be part of a larger policy framework for all staff. The College will therefore provide ongoing training and support for all staff, as identified through the Annual Review/appraisal procedure.

4.14 Leaving Employment at Launceston College

Despite the best efforts to recruit safely there may be occasions when allegations of abuse against children and young people are raised. In cases relating to the behaviour of an employee (these behaviours are within the context of four categories of abuse (ie: physical, sexual and emotional and neglect) the College's Disciplinary Policy will apply.

In cases of dismissal (or resignation) due to the above behaviour, Launceston College will inform the DfE and the Children's Safeguarding Unit of the circumstances why the employee is leaving Launceston College's employment.
