A Multi Academy Trust

HOME SCHOOL AGREEMENT

Updated on: June 2018

Review by: June 2019

Home –school agreement

The success of students at schools within the Launceston College multi academy trust, is based on the partnership between the pupil, the parent, and the relevant school. This Home School Agreement plays an important role in that partnership, as it provides a framework that outlines mutual expectations. This document explains each academy's responsibilities and also what is expected from the pupils and parents. The home school agreement is discussed at the student's enrolment in any school within the Launceston College MAT, and signed by all parties. A copy is kept in the student's file.
