## **TRUSTEES' EXPENSES POLICY**

Person responsible: MAT Governance Officer

For the purpose of this policy; the term 'Governors' also refers to 'Trustees'. This policy is valid for all individual academies within the Launceston College Multi Academy Trust (the 'MAT') and also includes the MAT as a whole.

This policy statement has been developed in accordance with the Education (Governors' Allowances) Regulations 2003. These regulations give trustees the discretion to pay allowances from the MAT's annual budget allocation to reimburse trustees for expenses which they incur in carrying out their duties.

Launceston College MAT believes that paying trustees' allowances, in specific categories as set out below, is important in ensuring equality of opportunity to serve as trustees for all members of the community and therefore, is an appropriate use of MAT funds. The specific items allowable reflect this objective.

All trustees supporting Launceston College MAT will be entitled to claim the actual costs, which they incur as follows:

1. Trustees will be able to claim allowances providing the expenses are incurred in carrying out their duties, as a Trustee or representative of Launceston College MAT, and are agreed by the Finance and Assets Committee that they are justified before any reimbursable costs are incurred.
2. Trustees will be able to claim for the following, on a case-by-case basis and with the prior approval of the MAT board and Executive Principal:
  - Childcare or baby-sitting allowances (excluding payments to a current/former spouse or partner);
  - Cost of care arrangements for an elderly or dependent relative (excluding payments to a current/former spouse or partner);
  - The extra costs they incur in performing their duties either because they have special needs or support for trustees whose first language is not English;
  - The cost of travel relating only to travel to meetings/training courses at 25p per mile, which does not exceed the specified rates for MAT personnel.

- Travel and subsistence costs, payable at the current rates specified by the Secretary of State, associated with attending national meetings or training events, unless these costs can be claimed from any other source;
- Telephone charges, photocopying, stationery, postage etc;
- Any other justifiable allowances.

**Launceston College MAT acknowledges that:**

- Trustees may not be paid attendance allowance;
- Trustees may not be reimbursed for loss of earnings.

Trustees wishing to make claims under these arrangements, once prior approval has been sought, should complete the relevant claim form (obtainable from the Finance Office), attaching receipts (VAT receipts where applicable). Claims should be returned to the Finance Department within two weeks of the date when the expenses were incurred, for approval by the Executive Principal or a deputy, to be presented to the Finance and Asset Committee (which meets at least once per term) for final approval.

Claims will be subject to independent audit and may be investigated by the Executive Principal or Chair of Trustees (or a deputy) if they appear excessive or inconsistent.

**Pecuniary interests**

All trustees will be required to complete a 'declaration of pecuniary interests' form and update this with any changes as soon as practicably possible after the change has occurred. Trustees will be asked to review the table of pecuniary interests at each meeting.

Guidance will be sought from the MAT accountants prior to any business or connected party transactions taking place to ensure that the correct procedure takes place. A copy of an updated version of the academies financial handbook is sent to all trustees each year which details related and connected parties issues.

Please also see the Financial Probity policy.
