

Launceston College

A Multi Academy Trust

Register of pupils' admission to school and attendance

Adopted on	27 September 2021
Ratified by	Principals' Working Group
Status	Ratified
Review period	Annually
Review date	September 2022

Register of Pupils' Admission to the school

All schools forming part of the Launceston College Multi Academy Trust must keep an admission register which is available for inspection on the school premises.

The law requires all schools to have an admission register and attendance register.

These requirements are contained in:

- The Education Act 1996 - sections 434(1)(3)(4)&(6) and 458(4)&(5)
- The Education (Pupil Registration) (England) Regulations 2006
- The Education (Pupil Registration) (England) (Amendment) Regulations 2010
- The Education (Pupil Registration) (England) (Amendment) Regulations 2011
- The Education (Pupil Registration) (England) (Amendment) Regulations 2013
- The Education (Pupil Registration) (England) (Amendment) Regulations 2016

All pupils (regardless of their age) must be placed on both registers.

The admission register must contain the personal details of every pupil in the school, along with the date of admission or re-admission to the school, information regarding parents and carers and details of the school last attended.

Expected First Day of Attendance

Schools must enter pupils on the admission register and attendance register from the beginning of the first day on which the school has agreed, or been notified, that the pupil will attend the school. For most pupils the expected first day of attendance is the first day of the school year. If a pupil fails to attend on the agreed or notified date, the school must establish the reason for the absence and mark the attendance register accordingly.

All schools must¹ notify the local authority within five days of adding a pupil's name to the admission register and must provide the local authority with all the information held within the admission register about the pupil. This duty does not apply to pupils who are added to the admission register at the start of the school's youngest year – for example pupils who are registered at a secondary school at the start of Year 7 - unless the local authority also requests for such information to be provided.

Pupils Moving to a New Address and/or School

Where the parent of a pupil notifies the school that the pupil will live at another address, schools must² record in the admission register: (a) the full name of the parent with whom the pupil will live, (b) the new address, and (c) the date from when it is expected the pupil will live at this address.

Where a parent notifies the school that the pupil is registered at another school or will be attending a different school, schools must³ record in the admission register: (a) the name of the other school, and (b) the date of when the pupil first attended, or is due to start attending, that school.

¹ Regulation 12 of the Education (Pupil Registration) (England) Regulations 2006 (as amended by the Education (Pupil Registration) (England) (Amendment) Regulations 2016).

² Regulation 5 of the Education (Pupil Registration) (England) Regulations 2006 (as amended by the Education (Pupil Registration) (England) (Amendment) Regulations 2016).

³ Regulation 5 of the Education (Pupil Registration) (England) Regulations 2006 (as amended by the Education (Pupil Registration) (England) (Amendment) Regulations 2016).

Deletions from the Admission Register

A pupil can lawfully be deleted from the admission register on the grounds prescribed in regulation 8 of the Education (Pupil Registration) (England) Regulations 2006 as amended.

Amendments to the Admission Register and Attendance Register

Every amendment made to the admission register and the attendance register must include: the original entry; the amended entry; the reason for the amendment; the date on which the amendment was made; and the name and position of the person who made the amendment.

Preservation of the Admission Register and Attendance Register

Every entry in the admission register and attendance register must be preserved for a period of three years after the date on which the entry was made.

Children at Risk of Missing Education

School governing bodies, academy trusts, and other school proprietors must have regard to the statutory guidance 'Keeping Children Safe in Education' when making arrangements to safeguard and promote the welfare of children.

Schools should put in place appropriate safeguarding responses for children who go missing from school, particularly on repeat occasions. Where reasonably practicable, for every pupil, schools should hold an emergency contact number for more than one person. Emergency contact numbers should be provided and updated by the parent with whom the pupil normally resides. This goes beyond the legal requirement but is good practice. Doing so provides schools with additional options for making contact with a responsible adult when a child is missing school and is also identified as a welfare and/or safeguarding concern.

Where school staff have concerns about a child, they should use their professional judgement and knowledge of the individual pupil to inform their decision as to whether welfare concerns should be escalated.

Local authorities have a duty⁴ to put in place arrangements for identifying (as far as it is possible) those children of compulsory school age in their area who are not school registered or receiving suitable education otherwise than at a school. Local authorities should trace those children and ensure that they receive full-time education.

All schools must notify the local authority when a pupil's name is to be deleted from the admission register under any of the grounds prescribed in regulation 8 of the Education (Pupil Registration) (England) Regulations 2006 as amended, as soon as the ground for removal is met and no later than the time at which the pupil's name is removed from the register. This duty does not apply where the pupil's name is removed after they have completed the school's final year, unless the local authority requests for such information to be provided.

⁴ Under section 436A of the Education Act 1996 (as inserted by section 4 of the Education and Inspections Act 2006). There is separate statutory guidance for local authorities on how to carry out this duty (including advice for schools) – at [Children missing education - GOV.UK](#).

Where a school notifies a local authority that a pupil's name is to be deleted from the admission register, the school must⁵ provide the local authority with the following information:

- the full name of the pupil;
- the full name and address of any parent with whom the pupil lives;
- at least one telephone number of any parent with whom the pupil lives;
- the full name and address of the parent who the pupil is going to live with, and the date the pupil is expected to start living there, if applicable;
- the name of pupil's other or future school and the pupil's start date or expected start date there, if applicable; and
- the ground prescribed in regulation 8 under which the pupil's name is to be deleted from the admission register.

All schools must agree with the relevant local authority, the regular interval that the school will inform the local authority of any pupil who fails to attend school regularly, or has been absent without the school's permission for a continuous period of 10 days or more.

Home Educated Children

On receipt of written notification to home educate, schools must inform the pupil's local authority that the pupil is to be deleted from the admission register. Schools should not seek to persuade parents to educate their children at home as a way of avoiding excluding the pupil or because the pupil has a poor attendance record.

Schools and local authorities should not seek to prevent parents from educating their children outside the school system. There is no requirement for parents to obtain the school or local authority's agreement to educate their child at home.

Parents have a duty to ensure their child of compulsory school age receives suitable full time education but this does not have to be at a school⁶.

⁵ Under regulation 12 of the Education (Pupil Registration) (England) Regulations 2006 (as amended by the Education (Pupil Registration) (England) (Amendment) Regulations 2016).

⁶ Section 7 of the Education Act 1996.

Register of Pupils' Attendance

This policy provides a framework and guidance for staff and parents of schools within the Launceston College Multi Academy Trust to encourage pupils to attend school regularly so that they can take full advantage of the educational opportunities available. This policy relates to the home-school agreement signed by all parties when a pupil starts at a school within the Launceston College Multi Academy Trust, as well as attendance procedures operated by schools where attendance does not meet expectations.

The Launceston College Multi Academy Trust policy on registration is concerned with attendance. The Education Act 1996 requires parents or guardians to ensure their children receive efficient, full-time education, either by regular attendance at school or otherwise. It is self-evident that if those pupils who should attend school fail to do so, their learning and progress are likely to be restricted. An entry must be made in the attendance register at the beginning of the morning session during registration, and again at the beginning of the afternoon session, for all pupils of compulsory school age who are on the admission roll of each school within the Launceston College Multi Academy Trust. The admissions register is kept on SIMS, or suitable alternative MIS system.

The school is required to distinguish between authorised and unauthorised absence. Only the school may authorise absence, not the parents. Reasons for authorised absence could include

- receiving medical treatment
- interviews for work or college
- days of religious observance
- family bereavement
- work placements
- study leave and educational visits

Please note, schools within the Launceston College Multi Academy Trust are not obliged to authorise absences due to family holidays. We welcome the support of parents in avoiding all possible absences during term time, as we recognise the link between school attendance and attainment. Where a child receives unauthorised absences, for example in respect of a family holiday, parents may be issued with a penalty notice or be subject to formal proceedings in line with guidance from the education welfare service.

Registers are legal documents and must be completed accurately and stored electronically in case of legal proceedings or an emergency. They must be retained, and made available if required, for seven years. It is the duty of the Multi Academy Trust Board to inform the LA of the names of those pupils who do not attend regularly or are absent for long periods, and to include information on pupils' absences in the prospectus and annual report to parents.

Responsibilities

The member of staff in charge of attendance, for example attendance officer or school administrator, will ensure that:

- pupils are registered accurately and efficiently
- attendance targets are set for individual pupils, classes and year groups
- parents or carers are contacted when reasons for absence are unknown or unauthorised
- pupil attendance and lateness are monitored regularly
- the reward system for good attendance is implemented
- school attendance statistics are provided to the Local Governing Body and the Multi Academy Trust Board through the termly CEO/Principal's report and if requested, to the LA
- pupils absent for long periods because of ill-health receive appropriate learning support.

All teachers are expected to:

- register pupils accurately and efficiently
- report pupil attendance and lateness daily
- encourage pupils to attend school regularly and inform colleagues if there is a problem that may lead to absences.

Pupils will be encouraged to:

- attend school regularly
- inform staff if there is a problem that may lead to absences.

Parents and carers will be asked to:

- ensure the child attends school regularly
- inform the school on the first day of non-attendance
- discuss planned absences with the school in advance (e.g. medical appointments)

The Local Governing Body

- will ensure that long term absence is reported to the appropriate body; this forms part of safeguarding monitoring

Arrangements for monitoring and evaluation

The Principal will, on a termly basis via the Principal's report, provide data on pupil attendance against the number of sessions taught, and will provide comparisons with previous terms and years. The Principal and the Local Governing Body will evaluate the data and decide what, if any, further action is required.

The member of staff responsible for monitoring attendance, will meet the Principal, or appropriate pastoral staff at least monthly, to discuss attendance of pupils and pastoral support plan meetings will be arranged, as required.

Schools in Launceston College Multi Academy Trust will follow up any absences to:

- Ascertain the reason;
- Ensure the proper safeguarding action is taken;
- Identify whether the absence is approved or not; and,
- Identify the correct code to use before entering it on to the school's electronic register, or management information system which is used to download data to the School Census.

Absence and Attendance Codes

The national codes enable schools to record and monitor attendance and absence in a consistent way which complies with the regulations. They are also used for collecting statistics through the School Census System. The data helps schools, local authorities

and the Government to gain a greater understanding of the level of, and the reasons for, absence.

The codes are:

Present at School

Pupils must not be marked present if they were not in school during registration. If a pupil were to leave the school premises after registration they would still be counted as present for statistical purposes.

Registration Code / \: Present in school / = am \ = pm

Present in school during registration.

Code L: Late arrival before the register has closed

A pupil arriving after the register has closed should be marked absent.

Present at an Approved Off-Site Educational Activity

An approved educational activity is where a pupil is taking part in supervised educational activity such as field trips, educational visits, work experience or alternative provision.

Pupils can only be recorded as receiving off-site educational activity if the activity meets the requirements prescribed in regulation 6(4) of the Education (Pupil Registration) (England) Regulations 2006. The activity must be of an educational nature approved by the school and supervised by someone authorised by the school. The activity must take place during the session for which the mark is recorded.

Attendance codes for when pupils are present at approved off-site educational activity are as follows:

Code B: Off-site educational activity

This code should be used when pupils are present at an off-site educational activity that has been approved by the school. Ultimately schools are responsible for the safeguarding and welfare of pupils educated off-site. Therefore by using code B, schools are certifying that the education is supervised and measures have been taken to safeguard pupils. This code should not be used for any unsupervised educational activity or where a pupil is at home doing school work. Schools should ensure that they have in place arrangements whereby the provider of the alternative activity notifies the school of any absences by individual pupils. The school should record the pupil's absence using the relevant absence code.

Code D: Dual Registered - at another educational establishment

This code is not counted as a possible attendance in the School Census. The law allows for dual registration of pupils at more than one school. This code is used to indicate that the pupil was not expected to attend the session in question because they were scheduled to attend the other school at which they are registered.

The main examples of dual registration are pupils who are attending a pupil referral unit, a hospital school or a special school on a temporary basis. It can also be used when the pupil is known to be registered at another school during the session in question. Each school should only record the pupil's attendance and absence for those sessions that the pupil is scheduled to attend their school. Schools should ensure that they have in place arrangements whereby all unexplained and unexpected absence is followed up in a timely manner.

Code J: At an interview with prospective employers, or another educational establishment

This code should be used to record time spent in interviews with prospective employers or another educational establishment. Schools should be satisfied that the interview is linked to employment prospects, further education or transfer to another educational establishment.

Code P: Participating in a supervised sporting activity

This code should be used to record the sessions when a pupil is taking part in a sporting activity that has been approved by the school and supervised by someone authorised by the school.

Code V: Educational visit or trip

This code should be used for attendance at an organised trip or visit, including residential trips organised by the school, or attendance at a supervised trip of a strictly educational nature arranged by an organisation approved by the school.

Code W: Work experience

Work experience is for pupils in the final two years of compulsory education. Schools should ensure that they have in place arrangements whereby the work experience placement provider notifies the school of any absences by individual pupils. Any absence should be recorded using the relevant code.

Authorised Absence from School

Authorised absence' means that the school has either given approval in advance for a pupil of compulsory school age to be away, or has accepted an explanation offered afterwards as justification for absence.

Absence codes when pupils are not present in school are as follows:

Code C: Leave of absence authorised by the school

Only exceptional circumstances warrant an authorised leave of absence. Schools should consider each application individually taking into account the specific facts and circumstances and relevant background context behind the request.

Code E: Excluded but no alternative provision made

If no alternative provision is made for a pupil to continue their education whilst they are excluded but still on the admission register, they should be marked absent in the attendance register using Code E. Alternative provision must be arranged for each excluded pupil from the sixth consecutive day of any fixed period or permanent exclusion. Where alternative provision is made they should be marked using the appropriate attendance code.

Code H: Holiday authorised by the school

Head teachers should not grant leave of absence unless there are exceptional circumstances. The application must be made in advance and the head teacher must be satisfied that there are exceptional circumstances based on the individual facts and circumstances of the case which warrant the leave. Where a leave of absence is granted, the head teacher will determine the number of days a pupil can be away from school. A leave of absence is granted entirely at the head teacher's discretion.

Code I: Illness (not medical or dental appointments)

Schools should advise parents to notify them on the first day the child is unable to attend due to illness. Schools should authorise absences due to illness unless they have genuine cause for concern about the veracity of an illness. If the authenticity of illness is in doubt, schools can request parents to provide medical evidence to support illness.

Schools can record the absence as unauthorised if not satisfied of the authenticity of the illness but should advise parents of their intention. Schools are advised not to request medical evidence unnecessarily. Medical evidence can take the form of prescriptions, appointment cards, etc. rather than doctors' notes.

Code M: Medical or dental appointments

Missing registration for a medical or dental appointment is counted as an authorised absence. Schools should, however, encourage parents to make appointments out of school hours. Where this is not possible, the pupil should only be out of school for the minimum amount of time necessary for the appointment.

Code R: Religious observance

Schools must treat absence as authorised when it is due to religious observance. The day must be exclusively set apart for religious observance by the religious body to which the parents belong. Where necessary, schools should seek advice from the parents' religious body about whether it has set the day apart for religious observance.

Code S: Study leave

Schools must record study leave as authorised absence. Study leave should be used sparingly and only granted to Year 11 pupils during public examinations. Provision should still be made available for those pupils who want to continue to come into school to revise.

Code T: Gypsy, Roma and Traveller absence

A number of different groups are covered by the generic term Traveller – Roma, English and Welsh Gypsies, Irish and Scottish Travellers, Showmen (fairground people) and Circus people, Bargees (occupational boat dwellers) and New Travellers.

This code should be used when Traveller families are known to be travelling for occupational purposes and have agreed this with the school but it is not known whether the pupil is attending educational provision. It should not be used for any other types of absence by these groups.

To help ensure continuity of education for Traveller children it is expected that the child should attend school elsewhere when their family is travelling and be dual registered at that school and the main school. Children from these groups whose families do not travel are expected to register at a school and attend as normal. They are subject to the same rules as other children in terms of the requirement to attend school regularly once registered at a school.

Unauthorised Absence from School

Unauthorised absence is where a school is not satisfied with the reasons given for the absence. Absence codes are as follows:

Code G: Holiday not authorised by the school or in excess of the period determined by the head teacher.

Schools in Launceston College Multi Academy Trust do not authorise a leave of absence for the purpose of a holiday but if the parents still take the child out of school, or the child is kept away for longer than was agreed, the absence is unauthorised. The regulations do not allow schools to give retrospective approval. If the parents did not apply for leave of absence in advance, the absence must be recorded as unauthorised.

Code N: Reason for absence not yet provided

Schools should follow up all unexplained and unexpected absences in a timely manner. Every effort should be made to establish the reason for a pupil's absence. When the reason for the pupil's absence has been established the register should be amended. This code should not be left on a pupil's attendance record indefinitely; if no reason for

absence is provided after a reasonable amount of time it should be replaced with code O (absent from school without authorisation).

Code O: Absent from school without authorisation

If the school is not satisfied with the reason given for absence they should record it as unauthorised.

Code U: Arrived in school after registration closed

Schools should actively discourage late arrival, be alert to patterns of late arrival and seek an explanation from the parent.

Administrative Codes

The following codes are not counted as a possible attendance in the School Census:

Code X: Not required to be in school

This code is used to record sessions that non-compulsory school age children are not expected to attend.

Code Y: Unable to attend due to exceptional circumstances

This code can be used where a pupil is unable to attend because:

- The school site, or part of it, is closed due to an unavoidable cause; or
- The transport provided by the school or a local authority is not available and where the pupil's home is not within walking distance; or
- A local or national emergency has resulted in widespread disruption to travel which has prevented the pupil from attending school.

This code can also be used where a pupil is unable to attend because:

- The pupil is in custody; detained for a period of less than four months. If the school has evidence from the place of custody that the pupil is attending educational activities then they can record those sessions as code B (present at approved educational activity).

This code is collected in the School Census for statistical purposes.

Code Z: Pupil not on admission register

This code is available to enable schools to set up registers in advance of pupils joining the school to ease administration burdens. Schools must put pupils on the admission register from the first day that the school has agreed, or been notified, that the pupil will attend the school.

Code #: Planned whole or partial school closure

This code should be used for whole or partial school closures that are known or planned in advance such as: between terms; half terms; occasional days (for example, bank holidays); weekends (where it is required by the management information system); up to five non-educational days to be used for curriculum planning/training; and use of schools as polling stations.

Attendance processes and procedures are held locally in each school in the Trust, please refer to individual school websites for details.
